3. I shall maintain high standards of health care to include but not be limited to: a) room for exercise; b) regular grooming; c) clean quarters; d) adequate ventilation and shade; e) balanced diet and fresh water; f) daily socialization and contact with me or another appointed surrogate; g) proper veterinary care for all of the cats in my charge as needed.
4. I shall strive to remain informed of health care issues for cats and those specific to the Norwegian Forest Cat. I acknowledge available information about feline health and husbandry is constantly growing and recommended protocols may change over time and I shall strive to increase my knowledge as well.
